

Risk Agreement

HEARTBEAT

Risk is an unavoidable part of trading Forex and CFDs and can lead to the loss of your invested capital. Nevertheless, users able to stomach this risk have the potential to generate significant profits from performed trades. Trading leveraged products may not be appropriate for all investors. Prior to using HEARTBEAT, please weigh your experience level, investment goals, technical knowledge or, if necessary, seek private financial advice.

HEARTBEAT assumes no liability for losses incurred or profits made by the user that result from a subscription to any trading strategy. Please take care in selecting the trader you wish to follow. Traders whose strategies are presented at HEARTBEAT act of their own volition. By subscribing to traders, the user is solely responsible for all risk evaluations and performed trades.

Past profits do not guarantee the future profits. Do not invest more than you can afford to lose and make sure that you are fully acquainted with the risks.

HEARTBEAT acts as the sole responsible party for the website and as a renderer of informational services, relieving it of any liability for content distributed or published by users.

HEARTBEAT assumes no responsibility for service quality, access speed, proper correct functioning, as well as availability and continuity of website operation.
